All virgin cartridges MUST be one-time used OEM cartridges first sold in the United States. Trading Connection cannot and will not buy Virgin cartridges that were not originally sold in the United States. Cartridges originally sourced from outside the US can be returned at your expense if you want them back, otherwise they will be destroyed on our end. There are no exceptions to this.

Trading Connection ***WILL*** beat our competitors buyback pricing as long as the following conditions are met:

1. The cartridge **MUST** be listed on both our buyback listing and the other company's listing
2. We can only match the pricing of companies that are located inside the United States.
3. Trading Connection **MUST** be able to verify the price that is being requested. In order for this to happen, we will need to know the name of the company, and be able to view the pricing via their website.

Trading Connection does NOT pay for starter cartridges, broken cartridges, or any cartridge that does not pass our inspection unless otherwise noted.

Prices subject to change without notice.

Buyback pricing is on Virgin (OEM) cartridges, unless otherwise noted.
Non-Virgin cartridges that have been converted, modified, or have different hoppers on them cannot be paid for. Only OEM NV cartridges are payable.

Trademark and brand names are the properties of their respective owners and are used for descriptive purposes only.

WE BUY BRAND NEW,UNUSED TONERS AND INK UP TO 2 YEARS OVER EXPIRATION.
